Relevant Department Customs Clearance			
Quote Details			
Activity	Unit	Quote Cost	Details
iPAFFS/Health Notification to Local Authority			
Raising and processing iPAFFS/Health Notification requirements	Per Declaration	TBD	At present this is not required and may be necessary in the future and costs will therefore be agreed at that point once details are known.
Inbound			
Standard Customs clearance imports declaration at Dover or Channel Tunnel (Includes first HS code).	Per declaration	£49.50	This is specific to Dover and the Channel Tunnel as Port costs vary with differing ports
Standard Customs clearance imports declaration for more than single shipment vehicles	Per declaration	£37.50	This is for vehicles that require more than a single customs clearance declaration from HWL
Standard Customs clearance imports declaration at other ports extra to Dover and the Channel Tunnel	Per declaration	TBD	To be determined on requirement, as each port is different and port charges vary.
Additional Lines / HS Codes	Per code	£3.00	Additional HS Codes or countries of origin
Security declarations export from the EU	Per Declaration	N/A	This is not at present quoted, as the process is unclear, but it is assumed that it will need to be completed by the Haulier
Security declarations import into the UK	Per Declaration	TBD	This is at present delayed by the UK government for 6 months and therefore exact requirements are not know and will be provided once available.
Use of Hellmann deferment account	% of tax outlay	£25.00 min or 3%	To be used as a contingency to customer's deferment account but will not provide credit so funds would need to be available prior to deferment being provided.
Inspection costs	By Vehicle	As incurred + 10% administration	If a vehicle is required to be inspected, all costs of inspection to be charged along with an administration charge for processing. Inspections are anticipated to be by exception, but can occur.
HMRC paper checks if entries go Route 1 or 2	Per Declaration	£5.00	Most entries are set and go 'route 6' - instant clearance with no HMRC checks. Route 1 or 2 = all docs to be sent to HMRC Salford for inspection before clearance.
Outbound			
Standard Customs Clearance export declaration processed inland	Per Declaration	£35.00	Each export would require a declaration as well as a 'T' form. This assumes that declarations are completed at Hellmann site where vehicle must physically attend.
Standard Customs Clearance export declaration processed at Port (Dover & Channel Tunnel)	Per Declaration	£35.00	Assumes that vehicle is processed at the port and not at Hellmann site. Assumption that Port costs are included in the declaration and not as part of the 'T' Form.
Standard Customs Clearance export declaration processed at Port (Non Dover or Channel Tunnel)	Per Declaration	n/a	Assumes that vehicle is processed at the port and not at Hellmann site. To be determined on requirement, as each port is different.
T' form processed separate to the declaration	Per 'T' form	£25.00	Assumption that Port costs are included in the declaration and not as part of the 'T' Form.
T' form processed at the same time as the Customs Clearance declaration	Per 'T' form	£15.00	If a 'T' form is processed in conjunction with the declaration, the additional cost for the 'T' form is reduced.
Additional Lines	Per code	£3.00	Additional HS Codes or countries of origin
Security declarations export from the UK	Per Declaration	TBD	This is included in the export declaration and receives no extra charge.
Security declarations import into the EU	Per Declaration	TBD	At present there is no information regarding how this will be processed post Brexit and as such costs cannot be calculated.
Inspection costs	By Vehicle	As incurred + 10%	If a vehicle is required to be inspected, all costs of inspection to be charged along with an administration
Managing Fee	Per Declaration	n/a	
Travel to Ireland			
Full load EU to Eire or Eire to EU	By Vehicle	N/A	Assuming that the vehicle travels on a 'T' form from origin through to final destination without transshipment, it is anticipated that there would be no need for customs requirements in the UK.
Groupage EU to Eire or Eire to EU	By Shipment	TBD	This would need to be further considered regarding the requirements or temperature controlled products and space requirements.

All costs are subject to the correct information, required to process the declaration, being provided on the commercial invoice
The above quotation is based on the present conditions for post Brexit Customs Clearances as per released government papers for a No Deal scenario and is subject to change.
